### Horizontal Flyer (11" x 17")

- Any images or backgrounds that touch the dashed line should continue to the edge of the template
- Make sure important items are in this blue area
- Anything in the yellow area may be removed during the cutting process
- Outline your text
- Use graphics and images that are at least 300 DPI for best results
- Convert your document to CMYK
- Delete or hide this template before saving and submitting your design
