Vertical Flyer (5.5" x 8.5")

· Any images or backgrounds that touch
  the dashed line should continue to the
  edge of the template

· Make sure important items are in this
  blue area

· Anything in the yellow area may be
  removed during the cutting process

· Outline your text

· Use graphics and images that are at least
  300 DPI for best results

· Convert your document to CMYK

· Delete or hide this template before
  saving and submitting your design
